

Potential Pioneers Initiatives (PPI)

Child registration and programme application instructions

Registration No. 00NGO/R/8334 | www.ppi.or.tz | info@ppi.or.tz

Please read these instructions before completing the online registration form.

1. Child's information

- Enter the child's full name as it appears on their official records.
- Provide the date of birth, age, gender, school, class, and location where requested.
- Choose the child's interests and describe their talents and aspirations as accurately as possible.

2. Parent or guardian information

- Enter the parent or guardian's full name, relationship to the child, and a telephone number where they can be reached.
- An email address and emergency contact details may also be provided where those fields are available.
- Review the child's information and provide any additional consent notes in the space provided.

3. Review and submit

- Complete all fields marked as required and check that the information is correct.
- A parent or guardian must read and accept the agreement on the form before submitting the registration.
- Select **Submit Registration** once. Wait for the on-screen confirmation before leaving the page.

For assistance, contact PPI using the contact details above. Please keep a copy of any confirmation shown after submission.
